

# Justin's Voice - Justin Scott Lucchese Foundation

"Family helping families to educate, to create awareness, and to provide the needed resources to help individuals and their family members get through drug addiction."

Dear Business Owner,

We are hosting our First Justin's Voice Golf Tournament which will be held on **Monday, September 14<sup>th</sup>, 2015** at the Ipswich Country Club.

If you had the pleasure of knowing Justin, you undoubtedly remember him as a person who could light up any room. He was smart, funny, and talented in academics, sports, and music. On October 3, 2014 we lost Justin to his battle

with addiction and decided to start a foundation to help others who are experiencing the same.

We are inviting you to honor and remember Justin whose life was cut far too short because of his addiction. The money we hope to raise will help us continue to educate youth, parents, athletes, and others about the signs, struggles, and preventative measures that need to be taken to stop the drug epidemic in our area of greater Boston. Our long term goal is to create a facility in Justin's name to help others conquer addiction. We unfortunately cannot change the past but hope to educate and prevent the past from repeating itself. We love and miss Justin every day and through your generosity we hope to help and inspire others who are facing addiction and get the help they need and deserve.

You can support Justin's voice non-profit organization by donating cash or checks to the PO Box below, sponsoring a hole, or donating raffles and silent auction items. Your donations and support are greatly appreciated and we hope you can help us honor Justin!
